

Why Choose Us?

An Excellent Environment... We at The Ally Pally School of Music believe in providing a fun learning environment for children that is safe, respectful of all, full of smiles, warmth and laughter.

Variety of Activities... Our sessions will be sociable, creative, physical, practical and skills based - overall brilliant for young minds, bodies and souls!

Quality... Our staff are professionally trained and experienced. Your child will get the best experience of music, dance, drama and art.

Outside Space... The nursery has outside space which will be great for messy art activities and free play.

Space To Be... A specific quiet area will be available at all times during each session.

Adults Who Wish To Stay With Their Children:

Some of the children, particularly the younger ones may feel more confident if their parents /carers stay with them for all/part of the session. We are very happy for this to happen.
