Throughout each session there will a wide range of art and craft materials for the children to use and create with as they wish. Play equipment for both outside and inside will also be available for the children. Adults will be on hand to assist and to guide at all times.

There will be a specific snack and story break to change the pace of events and a time each day to enjoy the large woodland space outside of the church together. A creative musical time will also be provided each session.

Social interaction between the children and between the adults and the children will be actively promoted and encouraged in whatever activity we are engaging in.

We wish your child to go home with friendships being made.

Children will not ever be forced to join in. Instead, we will encourage them to make choices based on seeing others having fun, therefore, building up their sense of confidence and self-esteem.
